

TokyoTech and Guwahati IIT Joint Workshop Condensed Matter and High-Energy Physics

Date: Nov. 11-12, 2019 9:00-17:35

Venue: Room H284 A/B Tokyo Institute of Technology

Scope:

In this joint workshop between Tokyo Tech and IIT Guwahati, there will be talks by faculty members from both institutes and students from Tokyo Tech on cold atoms, low dimensional interacting systems, statistical mechanics, topological materials, electronic structure calculations, nuclear physics, cosmology, astrophysics, flavour physics and neutrino physics.

Details: <http://www-hep.phys.titech.ac.jp/IIT/index.html>

Speakers:

Guwahati IIT

Prof. Saurabh Basu
Prof. Girish Setlur
Prof. Subhradip Ghosh
Dr. Tapan Mishra
Dr. Pankaj Mishra
Dr. M.C.Kumar
Dr. Debasish Borah
Dr. Debaprasad Maity
Dr. Santabrata Das

TokyoTech

Prof. Akihisa Koga
Prof. Daisuke Jido
Prof. Masahiro Kuze
Prof. Tomohiro Sasamoto
Prof. Hidetoshi Nishimoni
Prof. Masahide Yamaguchi
Prof. Shuichi Murakami
Prof. Toshimasa Fujisawa
Prof. Susumu Saito

Prof. Nobuyuki Kawai
Msc. Keisuke Fujii
Msc. Atsumi Saito
Msc. Reona Arai
Msc. Kentaro Nagase

Local Organizers:

Bhanu Das

Hiroyuki Hirayama

Katsushi Ito (chair)

Osamu Jinnouchi

Masahiro Kuze

Yusuke Nishida

Susumu Saito

This workshop is supported by:

- Department of Physics, Tokyo Institute of Technology
- School of Science, Tokyo Institute of Technology
- International Education and Research Committee on Science, Tokyo Institute of Technology
- Indian Institute of Technology, Guwahati
