

The Department of Physics, Tokyo Institute of Technology is seeking to hire a full-time associate professor with a limited term.

1. Affiliation: Department of Physics, Graduate School of Science

2. Responsibilities:

The primary responsibility of the position is teaching introductory physics (mechanics and electromagnetism) in English to the first-year students, as well as managing academic affairs related to teaching.

Each class consists of 15 lectures per semester plus examination(s) and exercises.

3. Qualifications:

- Applicants are expected to have foreign (non-Japanese) citizenship.
- Applicants should be proficient in English, desirably with English as his/her first language.
- Applicants must have Ph.D. or doctorate degree in physics or a closely related discipline.
- Experience in teaching introductory physics is a plus.

4. Term:

The employment term starts in September 2014 or October 1 2014 at latest.

The term is up to the end of March 2019.

5. Salary: Annual salary of approximately 10,560,000 JPY.

Tax, social security and health insurance are deducted from above.

6. Required documents for application:

- Curriculum vitae with applicant's birth date/year, e-mail and mailing addresses, phone number, educational records and professional history.
- Publication list
- List of invited talks, honours, and other relevant information in research and education.
- Brief statement on major achievements in research, and research plans.
- Statement about teaching ability, teaching philosophy and plan
- Contact address of two professional reference (name, affiliation, and e-mail address).
- Two reference letters directly sent to kiso-chair@phys.titech.ac.jp
- Supplementary information (if any) such as URL to the applicant's lecture video.

7. Submission: The application deadline is May 14, 2014.

The application documents in PDF should be electronically sent to kiso-chair@phys.titech.ac.jp.

If the confirmation of receipt is not received by May 21, please contact the above address or the phone at +81-3-5734-2364 (Physics Department office).

8: Other information:

The first round selection is based on the application file.

The candidates on the short list will be interviewed.

We are sorry to inform that the travel expenses are not provided.

Inquiries should be sent to kiso-chair@phys.titech.ac.jp.
