

Announcement for the Position of Full Professorship

Department of Physics, School of Science, Tokyo Institute of Technology

1. Position: Professor
2. Affiliation: Department of Physics, School of Science, Tokyo Institute of Technology
3. Expected start date: On or as early as possible after April 1st 2016.
4. Research field and job description: Experimental research in particle physics, nuclear physics, astrophysics or related area, teaching undergraduate and graduate courses including the first year physics, and contribution to managements in the faculty and the department
5. Requirements: Applicants must have Doctoral degree or Ph. D. in physics or closely related area
6. Documents required for the application:

The following documents, items (1)–(6) combined to a single PDF file, and PDF files of five significant papers (item 7) must be sent as E-mail attachments to `apply1509[at]phys.titech.ac.jp` (replace [at] with @) with a subject: `Application-LastName.GivenName`, where `LastName` and `GivenName` are those of the applicant. Please consult us if the total file size exceeds 10 MB. If the confirmation of receipt does not arrive within three business days of the submission, please contact us.

- 1) Curriculum vitae (since high-school graduation) with applicant's photograph.
- 2) Publication list classified into the following categories: i) refereed original papers (the five significant papers with attached copies must be marked with citation counts), ii) conference proceedings/talks (mark invited talks), iii) review or commentary articles, and iv) books.
- 3) Awards, prizes, other honors worthy of special mention, and/or summary of professional society activities and social contributions, grants and contracts (mark whether principal investigator or not)
- 4) Brief statement of research achievements (up to two A4 size pages) and educational careers
- 5) Brief statement of future research plan (up to two A4 size pages) and educational plan, possible start date
- 6) List of four references with affiliations and e-mail addresses (at least two outside Japan), including the authors of the letters of reference or recommendation.
- 7) PDF copies of five significant papers
- 8) Two letters of reference or recommendation (at least one from outside Japan)
Letters of reference or recommendation must be sent directly from the authors of the letters to the same E-mail address as above with a subject: `Reference-LastName.GivenName`,

where `LastName` and `GiventName` are those of the applicant.

7. Application deadline: Friday, November 27, 2015

8. Addresses:

(1) Application and inquiry: `apply1509[at]phys.titech.ac.jp` (replace [at] with @)

(2) Contact person: Prof. Nobuyuki Kawai, Department of Physics, School of Science, Tokyo Institute of Technology, E-mail address: same as above.

Notes:

- (1) In the selection process, a lecture/interview for a few applicants might be required. The applicant is required to pay the travel cost for the lecture/interview.
- (2) Tokyo Institute of Technology values a diverse workforce and welcomes applications from all sections of the community
- (3) Tokyo Institute of Technology provides start-up funding through an internal support system, and selected applicants have chance to use this system.
- (4) Tokyo Institute of Technology is formulating a new education system to be launched in April, 2016. The selected individual will be a faculty member at Department of Physics, School of Science.
