

Announcement for the Position of Full Professorship
Department of Physics, School of Science, Tokyo Institute of Technology

Affiliation	Department of Physics, School of Science, Tokyo Institute of Technology
Position title	Professor
Number of Openings	1
Area of Specialization	Experimental research in condensed matter physics (magnetism, superconductivity, topological materials, etc.)
Job Description	The successful candidate will be required to carry out experimental research on condensed matter physics, teach undergraduate and graduate courses including first year physics, and contribute to management in the faculty and the department.
Qualifications	Applicants must have a Doctoral degree or Ph. D. in physics or closely related areas.
Location	Ookayama Campus Nearest station: Ookayama
Working Hours	De facto working hours* under the discretionary labor system: 7 hours 45 minutes per day (38 hours 45 minutes per week) *Hours considered as working hours
Term	Permanent Position The Institute has mandatory retirement, requiring employees to retire at age 65.
Probationary Period	6 months
Salary	The successful candidate will be paid under the “Annual Salary System with Lump-Sum Retirement Allowance” pursuant to the Institute’s Regulations on Wage and Salary for Staff under Annual Salary System with Lump-Sum Retirement Allowance. In accordance with the regulations, the amount of annual salary will be determined based on the standard level for the first fiscal year of employment, and will be based on performance evaluations in subsequent years. A retirement allowance will be paid separately at the time of retirement.
Social insurance and other benefits	Employee’s pension, Mutual Aid Association short-term benefits (health insurance), employment insurance, worker’s compensation Insurance.
Employer	President of National University Corporation Tokyo Institute of Technology

Proposed Start Date	As early as possible after April 1, 2022
Closing Date for Application	Applications must be received by October 11, 2021 JST
Selection Process	<p>We suggest conducting interviews, presentations, etc. both online and in person.</p> <p>Selection will be based on a comprehensive review of applications and interviews. Selected applicants may be asked to have an on-campus interview and/or give a presentation, a trial lecture, etc.</p> <p>Please note that travel expenses for attending in-person interviews will not be reimbursed.</p>
Required Documents	<ol style="list-style-type: none"> 1) Curriculum vitae (since high-school graduation) including applicant's photograph, age, and email address. 2) Publication list classified into the following categories: i) refereed original papers (the five significant papers must be marked with citation counts), ii) invited talks at conferences, iii) review or commentary articles, iv) books, and v) patents. 3) PDF copies of five significant papers marked in the publication list 4) Acquired research grants and external funds. Include names of the funds, project titles, amounts, periods of research, mark whether the principal researcher or not, and allocated amounts (if not the principal researcher) 5) Brief statement of research achievements (up to three A4 size pages) and future research plan (up to two A4 size pages) 6) Brief statement of educational carriers and plan 7) Awards, prizes, summary of professional society activities and social contributions. 8) Two letters of reference or recommendation (at least one from outside Japan). Letters of reference or recommendation must be sent directly from the authors of the letters to the same E-mail address as below with a subject: Reference-LastName.GivenName, where LastName and GivenName are those of the applicant. 9) List of four references with affiliations and e-mail addresses (at least two outside Japan), including the authors of the letters of reference or recommendation. 10) Possible start date for this position 11) Application Summary Form (Excel file) <p>Download an Excel file from http://info.phys.sci.titech.ac.jp/koubo/cdp-applicantname.xlsx</p>

How to Submit an Application	<p>The required documents, items 1),2), 4)-7) and 9,10) combined to a single PDF file, PDF files of five significant papers (item 3), Excel file of Application Summary (item 11), must be sent as E-mail attachments to cond_mat_prof21[AT]phys.titech.ac.jp (replace [at] with @) with a subject: Application-LastName.GivenName, where LastName and GivenName are those of the applicant. Please consult us if the total file size exceeds 10 MB. If the confirmation of receipt does not arrive within three working days after the submission, please contact us.</p>
Where to Submit	<p>Please send your application to: Chair of the Department of Physics, Prof. Takashi Nakamura E-mail: cond_mat_prof21[AT]phys.titech.ac.jp (replace [AT] with @)</p>
Contacts	<p>Prof. Hiroyuki Hirayama Department of Physics, School of Science, Tokyo Institute of Technology Nagatsuta 4259, (J1-3), , Midori-ku, Yokohama 226-8502, JAPAN E-mail: hirayama.h.aa[AT]m.titech.ac.jp (replace [AT] with @) Tel.: +81-45-924-5637</p>
Other	<ol style="list-style-type: none"> 1. Application documents will not be returned. The personal information provided in the submitted documents will be used solely for recruitment and not for any other purpose, pursuant to the Institute's applicable rules and regulations. 2. Tokyo Institute of Technology, in order to ensure a diverse workforce, guarantees equal opportunities for all individuals regardless of nationality or gender. 3. Smoking is prohibited on campus (excluding designated outdoor smoking areas). 4.
