

Announcement for the Position of Associate Professorship
Department of Physics, School of Science, Tokyo Institute of Technology

Affiliation	Department of Physics, School of Science, Tokyo Institute of Technology
Position Title	Associate Professor
Number of Openings	1
Area of Specialization	Experimental research in condensed matter physics (three-dimensional bulk materials, low-dimensional electron systems in nano scale, etc., experimental research broadly related to quantum materials and quantum science)
Job Description	The successful candidate will be required to carry out experimental research in condensed matter physics, teach an undergraduate course (including first-year physics) and a graduate course, and contribute to management in the faculty and the department.
Qualifications	Applicants must have a doctoral degree or Ph.D. in physics or closely related areas.
Location	Ookayama Campus (Nearest station: Ookayama)
Working Hours	De facto working hours* under the discretionary labor system: 7 hours 45 minutes per day (38 hours 45 minutes per week) *Hours considered as working hours
Term	Permanent Position The Institute has mandatory retirement, requiring employees to retire at age 65.
Probationary Period	6 months
Salary	The successful candidate will be paid under the “Annual Salary System with Lump-Sum Retirement Allowance” pursuant to the Institute’s Regulations on Wage and Salary for Staff under Annual Salary System with Lump-Sum Retirement Allowance. In accordance with the regulations, the amount of annual salary will be determined based on the standard level for the first fiscal year of employment, and will be based on performance evaluations in subsequent years. A retirement allowance will be paid separately at the time of retirement.
Social insurance and other benefits	Employee’s pension, Mutual Aid Association short-term benefits (health insurance), employment insurance, worker’s compensation Insurance.

Employer	President of National University Corporation Tokyo Institute of Technology
Proposed Start Date	As early as possible after April 1, 2023
Closing Date for Application	Applications must be received by October 3 (Mon), 2022 JST
Selection Process	Selection will be based on a comprehensive review of applications and interviews. Selected applicants may be asked to have an interview and/or give a presentation, a trial lecture, etc. We suggest conducting interviews, presentations, etc., in person or online depending on circumstances. Please note that travel expenses for attending in-person interviews will not be reimbursed.
Required Documents	<ol style="list-style-type: none"> 1) Curriculum vitae (since high-school graduation) including applicant's photograph and email address. 2) Publication list classified into the following categories: i) refereed original papers (the five significant papers must be marked with citation counts), ii) invited talks at conferences, iii) review or commentary articles, iv) books, and v) special notes (e.g., patents). 3) PDF copies of five significant papers marked in the publication list. 4) Acquired research grants and external funds. Include names of the funds, project titles, periods of research, mark whether the principal researcher or not, total amounts (if the principal researcher), and the name of the principal researcher and allocated amounts (if not the principal researcher). 5) Brief statement of research achievements (up to two A4 size pages) and future research plan (up to two A4 size pages). 6) Brief statement of educational careers and plan. 7) Awards, prizes, summary of professional society activities and social contributions. 8) A letter of reference or recommendation. The letter of reference or recommendation must be sent directly from the author of the letter to the same E-mail address as below with a subject: Reference-LastName.GivenName, where LastName and GivenName are those of the applicant. 9) List of three references with affiliations and e-mail addresses (at least one outside Japan), including the author of the letter of reference or recommendation. 10) Possible start date for this position. 11) Application Summary Form (Excel file). Download an Excel file from http://info.phys.sci.titech.ac.jp/koubo/cdap-applicantname.xlsx

How to Submit an Application	<p>The required documents, items 1),2), 4)-7), 9) and 10) combined to a single PDF file, PDF files of five significant papers (item 3), an Excel file of Application Summary (item 11), must be sent as E-mail attachments to ap_cmexp22 [AT] phys.titech.ac.jp (replace [AT] with @) with a subject: Application-LastName.GivenName, where LastName and GivenName are those of the applicant. Please consult us if the total file size exceeds 10 MB. If the confirmation of receipt does not arrive within three working days after the submission, please contact us.</p>
Where to Submit	<p>Please send your application to: Chair of the Department of Physics, Prof. Susumu Saito E-mail: ap_cmexp22 [AT] phys.titech.ac.jp (replace [AT] with @)</p>
Contacts	<p>Prof. Satoshi Okuma Department of Physics, School of Science, Tokyo Institute of Technology 2-12-1 Ookayama, Meguro-ku, Tokyo 152-8551, JAPAN E-mail: sokuma [AT] o.cc.titech.ac.jp (replace [AT] with @) Tel.: +81-3-5734-3252</p>
Other	<ol style="list-style-type: none"> 1. Application documents will not be returned. The personal information provided in the submitted documents will be used solely for recruitment and not for any other purpose, pursuant to the Institute's applicable rules and regulations. 2. Tokyo Institute of Technology, in order to ensure a diverse workforce, guarantees equal opportunities for all individuals regardless of nationality or gender. 3. Smoking is prohibited on campus (excluding designated outdoor smoking areas). 4.
